

**How to view WAPPS-Hemo pharmacokinetic (PK) results in the Robust Health app**

*Note: WAPPS-Hemo pharmacokinetic (PK) results are only available in Robust Health when requested by your Hemophilia Treatment Center through ATHN Clinical Manager. A post-infusion blood sample draw will be required.*

<p><b>Step 1: Go to Pharmacokinetic Results</b></p> <p>From the <b>Menu</b>, tap <b>Pharmacokinetic Results</b>.</p>	 <p>The screenshot shows the Robust Health app interface. At the top, the status bar displays the time 12:25, signal strength, Wi-Fi, and 80% battery. Below the status bar is a blue circular profile icon with a white letter 'T'. Underneath the icon, the text 'Test' is displayed, followed by a link 'Edit Profile'. A list of menu items follows: 'Stats' (with a bar chart icon), 'Scheduled Treatments' (with a calendar icon), 'Inbox' (with an envelope icon), 'Contact Treatment Center' (with a person icon), 'Goals' (with a flag icon), 'Pharmacokinetic Results' (with a document icon), 'Resources' (with a book icon), 'Settings' (with a gear icon), and 'Log Out' (with a door icon). A 'Records' button with a document icon is visible at the bottom right of the menu. The background of the app is partially visible, showing a blue tulip graphic and the word 'Records'.</p>
--	---

**Step 2: Select the WAPPS PK Result you wish to view.**

The latest WAPPS PK Result available will be listed under the “Most Recent” header. Additional results, if available, will be available under the “History” header.
